- Donations to two philanthropies supported by the Iowa Xi Undergraduate and Alumni Chapters
  - Iowa Special Olympics (in conjunction with Greek Week)
  - Children’s Miracle Network
- Installation of a new sign and landscaping for the Chapter House

**Special Olympics**  
Iowa

Special Olympics athletes inspire people in their communities and elsewhere to open their hearts to a wider world of human talents and potential.

Since 2017, the Iowa State University Greek Community has been a Champion Statewide Partner with Special Olympics Iowa. Greek Community members are the only participants in the annual Ames Greek Polar Bear Plunge. The event takes place annually as part of Greek Week.

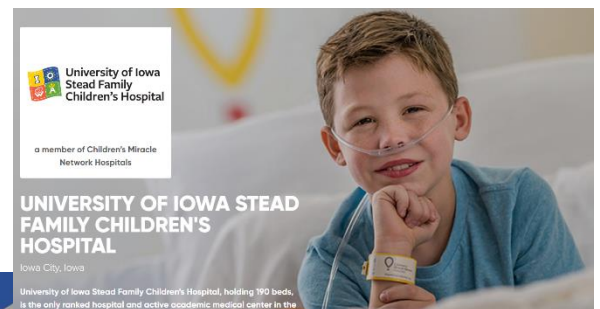

Greek organizations at ISU continue to break their fundraising record every year. A portion of the Centennial Special Appeal will be donated to the Iowa Special Olympics as part of Greek Week 2024 on behalf of the Iowa Xi Undergraduate Chapter.

**Children's  
Miracle Network  
Hospitals**

Children’s Miracle Network Hospitals (CMNH) was founded more than 40 years ago with the vision to **Change Kids’ Health, Change the Future**. They have raised over \$8.5 billion for 170 children’s hospitals by empowering and engaging with local communities and businesses. Phi Kappa Theta is a proud fundraising partner of CMNH.

All donations benefit local member hospitals to fund what is needed most, like critical life-saving treatments and healthcare services, innovative research, vital pediatric medical equipment, child life services that put kids’ and families’ minds at ease during difficult hospital stays, and financial assistance for families who could not otherwise afford these health services.
